

This is a 5k loop starting at the flag pole in the school drop off circle, north on Leroy and finishing by going behind the school and returning to the street end of the main parking lot.

The Canton loop starts in the school parking lot and runs south through streets to Judson then to 310 out to the Partridge Run golf course then back to the school.

The Gouverneur Course is a 1.55 loop to be run twice through for time. This includes going back into the parking lot and turning around and back out.

The Brushton loop includes running out to about 150 meters before the rec basketball courts and back onto the loop. Start and finish in the school parking lot or the spot before the courts.

This loop starts at the edge of the church/
golf course parking lot runs south and does a
loop then back to the big loop and finish at
the church parking lot.

This 5k run begins at either the Notre Dame Cemetery or the gym parking lot and then runs the loops and back to start.

This scenic loop starts and finishes at the dome parking. It crosses the river twice and runs through some streets back to start.

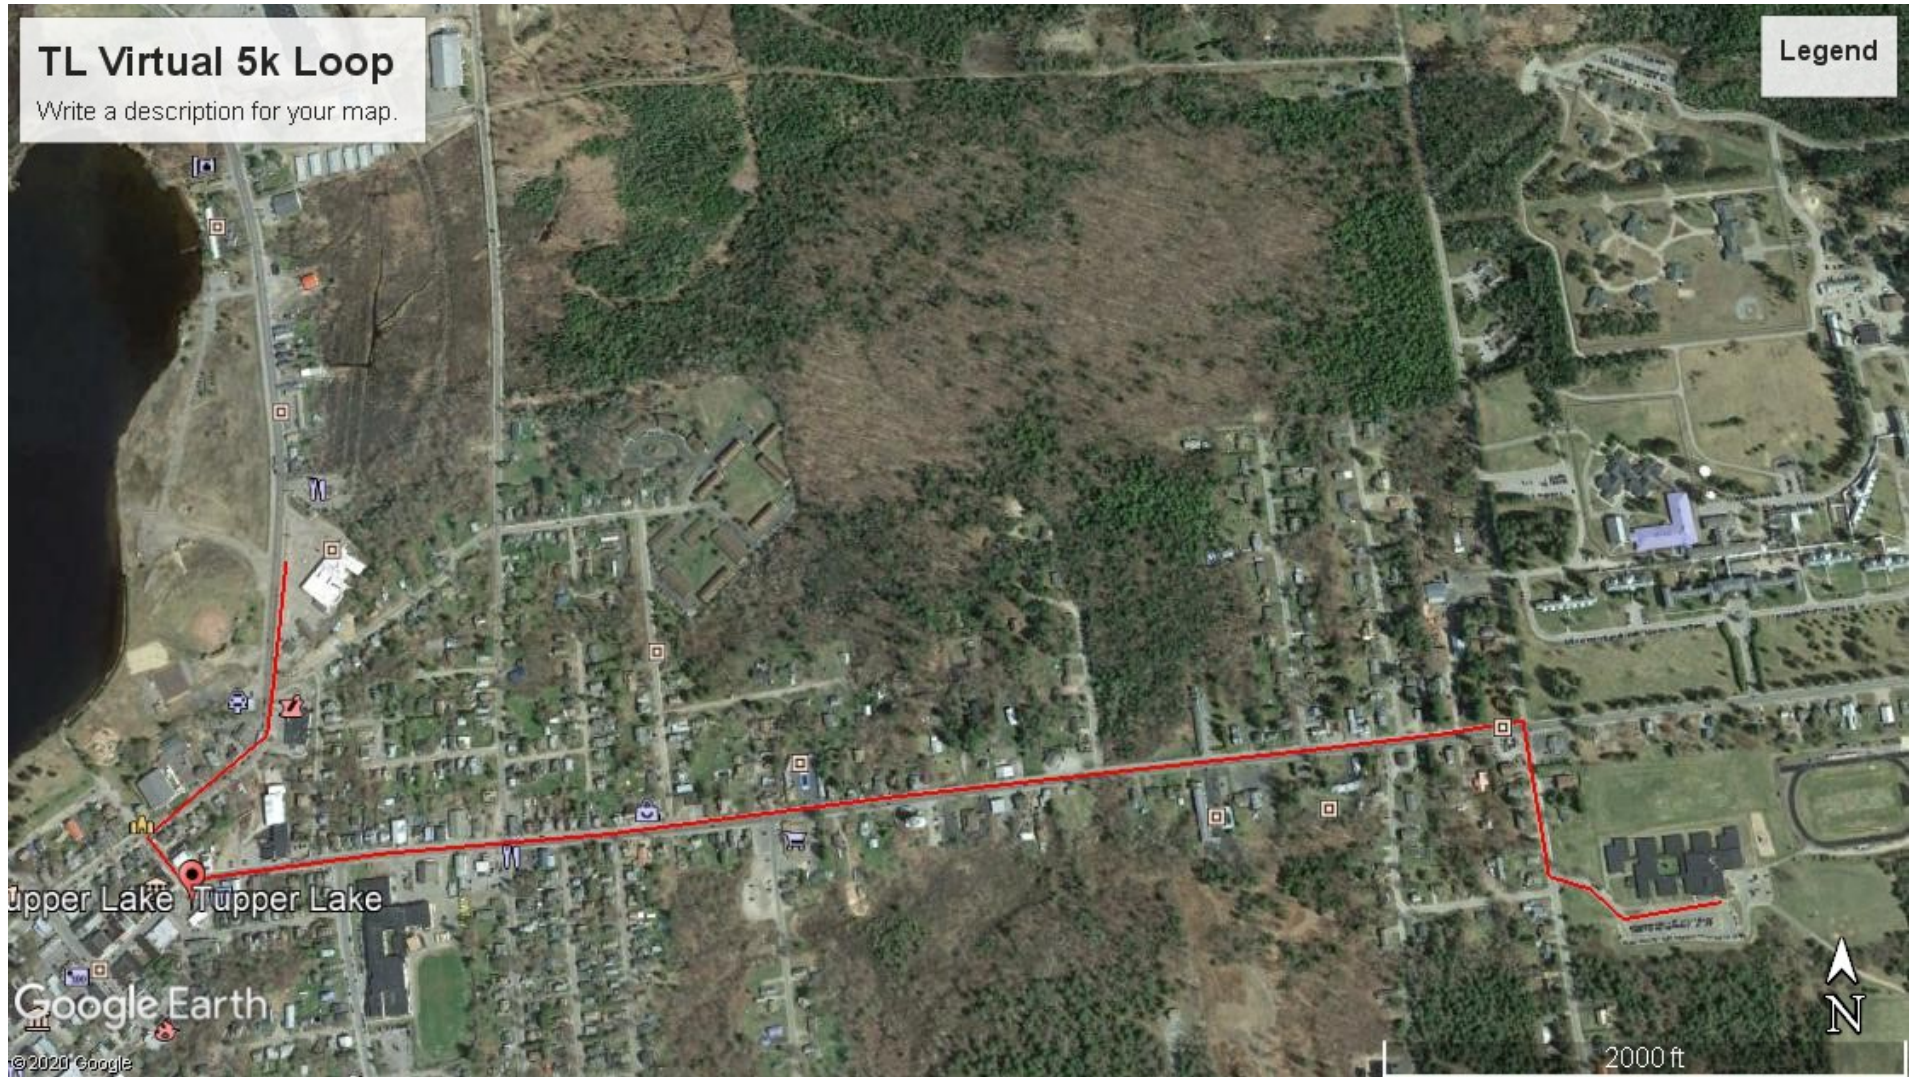

This loop is twice the school trail. Start in the lot, go around the loop twice then back to start.

This is out and back 1.55 miles from the parking area at the Norwood Beach parking lot. It turns toward the cemetery and return after hitting the corner of the cemetery.

Start this simple out and back 1.55m loop at either the shopping center by McDs or at the elementary parking lot.

This loop can start at any point on the route around the SR school, the edge of the bus garage or out by the edge of the big farm field up the road north east. It is 1.55miles and would need to be run twice for 5k.
